DEDICATION

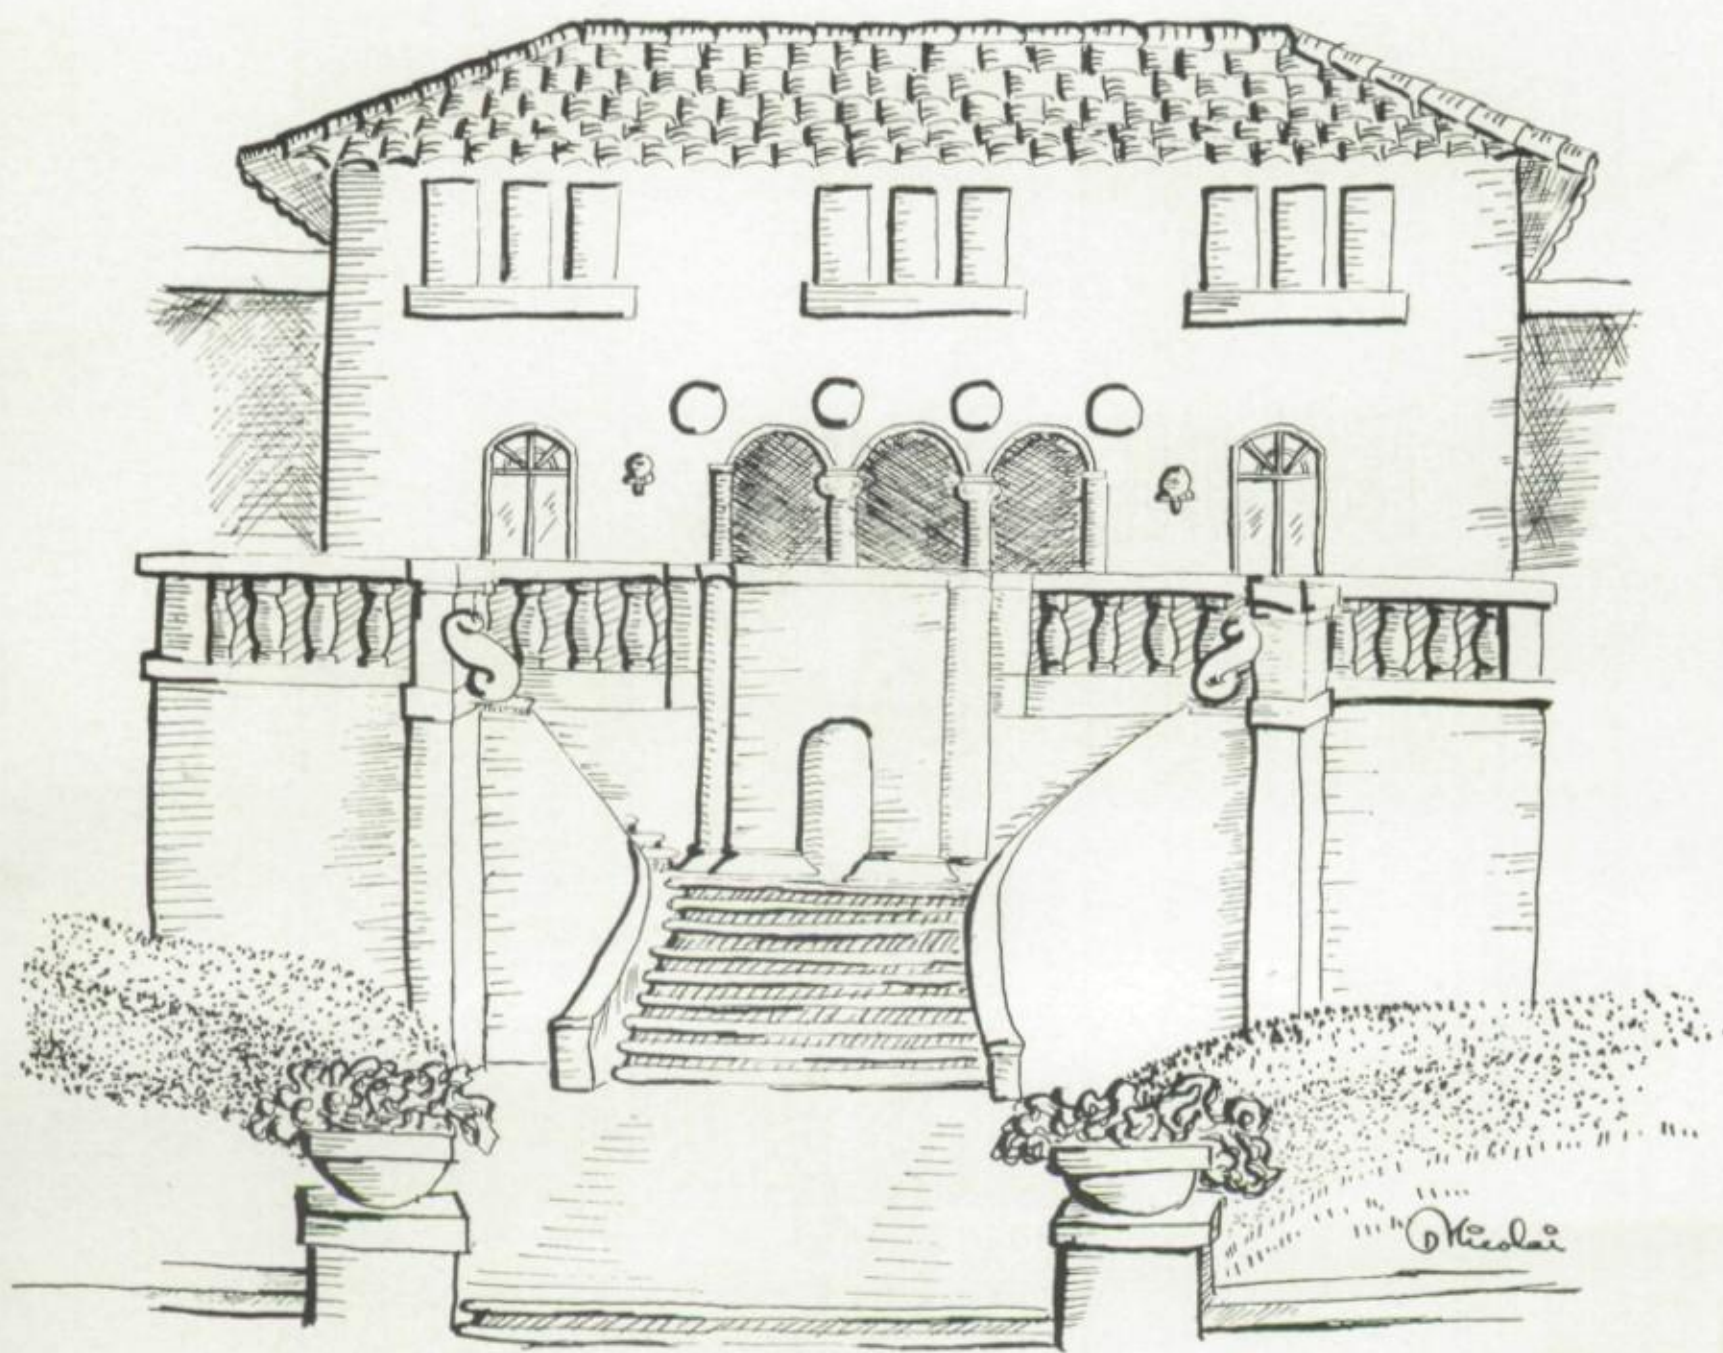

We, the graduating class of 1944, would like to dedicate this, our year book, to our school friends and to our teachers who are now serving in the Armed Forces of our country, in deep appreciation of their sacrifices for us on the home front and their courageous efforts on the battlefields. May this dedication and this book convey to them the admiration we all feel for their noble work.

They left the peaceful river,
The athletic field, the quad,
The renowned halls of learning
To seek the bloody sod.
They gave their merry youth away
For country and for God.

God rest you, happy gentlemen,
Who laid your good lives down,
Who took the khaki and the gun,
Instead of cap and gown.
God bring you to a fairer place
Than even your Hometown.

FRESHMEN

Joan Armstrong
Jerry McAtee

The Frosh class got well under way soon after they arrived at our own O. U. H. S. The Freshman Reception which took place on October first was momentous occasion in the lives of many first year boys and girls.

That embarrassing day of initiation came later. The girls came dressed as babies under strict rules to do what was asked of them by any upper classman. The boys were also under this obligation.

Leading the class for the first term were: president, Joan Armstrong; vice president, Jerry McAtee; secretary, Betty Ann Frazier. Representing the class on the Executive Committee was Marjorie O'Brien.

Second Semester officers were Jerry McAtee, president; assisted by Melvin Ferguson, vice president, and Doris Rowland, secretary. Theda Davenport represented the class on the Executive Committee.

Many Freshmen contributed to the success of coach White's "B" football team. Outstanding were Jerry McAtee, Albert Davis, Harold Goff, Melvin Ferguson, and Bill Dowty.

Under Coach White's leadership the "B" squad in basketball worked hard and was a credit to the school. Outstanding freshmen on the team were Jerry McAtee, Albert Davis, Wilbur Lewis and Jearl Stafford. The Frosh on the "C" team were Don Hagen, Edward Stram, Harold Caughey, and Jerry Blanchard.

Many freshman girls were seen playing hard on Tuesday and Thursday afternoons to earn their G. A. A. points.

The Dramatics class seemed to hold interest for many freshmen. Among these were Marjorie Bonner, Marjorie O'Brien, Joanne Gerson, Jack Moseley, George Meyer, Dan Leahy and others.

Many girls and boys took part in the activities of the various "Y" clubs.

Freshmen did their part in providing entertainment for student body meetings and were always ready to do all they could in all school activities.

SOPHOMORE CLASS

With high hopes and renewed vigor the Sophomore Class started the 1943-44 school year. With Freshman requirements satisfactorily met and many new subjects to be considered this class hoped to make the present year memorable for themselves and for their teachers.

At the first class meeting the following students were elected to guide Sophomore affairs for the first semester. President-Del Dudley, Vice President-Jack McAtee, Secretary-Mel Forbes, and Executive Committee Member, Dick Hobbie.

The Sophomore Hop, the first dance to be put on by the class, was held December 17. The theme, "Winter Wonderland," was very effectively carried out in red, white, and green decorations. Music was by the All Stars. Doughnuts and pop were on sale throughout the evening. Each person attending was asked to bring an inexpensive gift to be exchanged later in the evening. The Dance was very successful considering the fact that a basketball game was being played in Yuba City at the same time.

There are many promising athletes in the class both among the boys and girls. They should prove valuable next year.

In February Kenny Borger was elected President for the Spring Semester. Ronnie Bell as Vice President, Maxine Rogers as Secretary, and Doris Everett as Executive Committee Member were chosen to assist him.

The Sophomores were well represented in the Band, Block "O", Honor Society, Choir, Cadets, G.A.A., and other school organizations.

The Student Body elected two Sophomores, Dean Rippey and Babe Aicega, to the offices of Athletic Manager and Block "O" Custodian.

Let us hope this class will be worthy of being upper classmen. They are capable of it.

JUNIOR CLASS

The Juniors started the school year with a bang by electing Don Richter, president; Joyce Onyett, vice-president; Betty Gardella, secretary; and Buddy Richter, Executive Committee member.

Plans were made for the Junior program, which was presented to the student body later in the year.

Juniors supported the sales of war savings stamps and bonds in many ways. A bond show, put on at the State Theatre, was under the supervision and direction of Juniors. In a mop-up campaign in the spring bond sales drive sponsored by the Student Body, our class won by selling the largest number of bonds.

At the beginning of second semester, election of officers was again held with such able leaders as Voyle McFarland, president; Charles O'Bryan, vice-president; Judy Hyatt, secretary; Eddie Gurrola, Executive Committee member.

March third the Junior Prom was held and enjoyed by all who attended. The theme was St. Patrick's day with the traditional snakes, shamrocks, and horseshoes decorating the auditorium.

Members of the class participated in the radio broadcasts given over station KHSL.

The last project of the year was the Senior Farewell.

SENIOR CLASS

Aren't they small? See how timid they are! It seems as though they get smaller every year. These statements were the general exclamations upon the appearance of the freshman class of September, 1940.

We were enrolled as the largest class yet to enter Oroville Union High School--231 in all. Now, as the spring semester of our senior year draws to a close we find ourselves numbering only 79 in all, the smallest graduating class in about fifteen years. What has happened? A large number of our boys have gone to join the services of Uncle Sam.

Our fall semester officers included Eileen Caughey as the first girl president of our class, Sam Swedenborg as vice president, Ysleta Campbell as secretary and treasurer, and Bob Powers as representative on the Executive Committee. In our spring semester we elected Puzzy Hickok as president and Jimmy Crabtree as vice president, Lillian Lang as secretary and treasurer, and Bob Fuller as senior representative on the Executive Committee.

In all our four years of high school we have been well represented in athletics. This year in football Del Bartley was chosen captain of the varsity. "Terrible" Ted was named the most valuable man on the team. Puzzy Hickok was high point man in basketball, and in the Chico tournament Bob Dudley was selected as the best defensive player. The senior girls have also done their part, having won the championship in basketball and in volleyball.

We were also well represented in the other organizations of the school. In the fall student body election two members of our class were tied in the closest election within the memory of most of the faculty members of this school. The final returns were: Kenny O'Brien, 145 votes and Eileen Caughey, 144

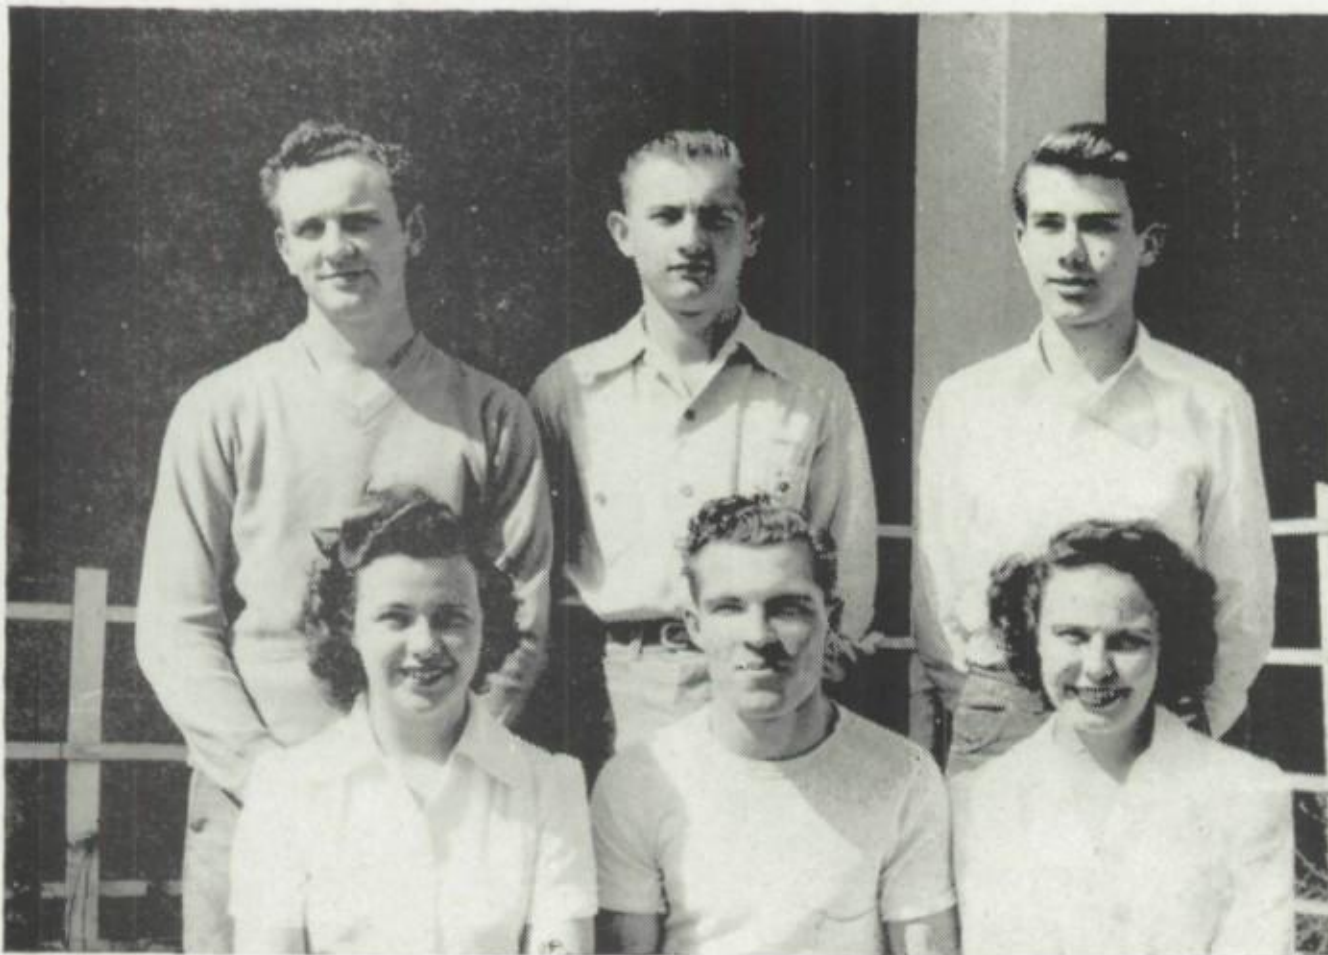

A senior pot luck dinner was held at the close of the fall semester for the purpose of installing the spring class officers and also of saying good luck to Delmar Bartley on his departure for college. Del is only one among several who worked a little harder in order to earn enough credits to get his diploma before June. This plan enabled the boys to get a little more schooling before going into the armed forces.

STUDENT BODY

Ted Tannehill
Kenneth O'Brien

In spite of war-time atmosphere our school has managed to keep up the high standard of student activities that has been set for us through the past years. Not only have we met this standard, but in some respects we have surpassed our previous record.

This year our school contributed to the war effort in an all-out drive to boost the sale of stamps and war bonds in our community. In the fall the students managed to purchase one land-going jeep, one amphibious jeep, and a flying jeep.

In January the student body sponsored a "Bond Show" in cooperation with the State Theater to help stimulate bond sales. This program, in the form of a Variety Show, resulted from a "Talent Parade" held before the student body earlier in the semester.

The Spring Festival, held late in May, was the last major student body activity for the year.

The Queen for the Festival was chosen from a group of 5 senior girls. Ruth Lewis reigned over the affair with Eilen Butler, Dorothy Nicolai, Mildred Basye, and Lillian Lang as her attendants. The program numbers were representatives of various student groups and emphasized America and her Allies in dance and song.

We students are proud of the record of activity which we have made for this year: we hope that we have lived up to everyone's expectations of American youth, and we know that since we have been given the opportunity to attend schools and achieve records, as this Student Body has through the past year, we will continue to strive to preserve that right and privilege for American posterity.

THE NUGGET STAFF

Each year the Executive Committee meets and chooses a staff to edit the Nugget. The ones selected this year were:

Editor Bob Powers
Asst. Editor Bob Dudley
Sports Bud Brown
Photography Joyce Onyett
Art Dorothy Nicolai
Music Claude Wilson
Dramatics Bob Bolles

Many problems were encountered this year that did not have to be met by other editorial staffs. Among these were the increased cost and scarcity of many materials. This increased cost was partially met by a series of noon dances given by the editor assisted by members of the staff.

After overcoming these problems the work of getting pictures taken, choosing a cover, and the usual routine of getting a publication ready for press was handled with little difficulty.

The Nugget staff members, under the efficient leadership of the editor, have put a great deal of effort and time into the 1944 edition. They are grateful for the help given by several members of the faculty, especially Mr. Nelson, who was responsible for the printing of the book.

They present their book to the students of the O.U.H.S. in the hope that you like it and will treasure it for many years to come.

Lillian Lang

DRAMATICS

Regardless of the fact that most of the members of the Dramatics club this year were taking part in their first plays, under the able leadership of Mr. Mognis they showed considerable talent.

In November a Talent Parade was organized. Charlotte Gambrel won first prize, Del Bartley and his Weiner Blutz Band was second, and Margaret Jones earned third place. Prizes were War Stamps.

In April an amusing play, "Be Home By Midnight," directed by Bob Bolles, was put on. It starred Harry Grafe and Ysleta Campbell as Mr. and Mrs. Jones, and Irving Deal Roberta Fouchy, and Dickie Hobbie played their three troublesome children.

In the spring a "Gay Nineties program was produced which included two old fashioned "Melodramas". They were "Faint Heart Ne'er Won Fair Maiden," featuring Florence Bean, Peggy Allen and Dan Leahy, and "The Great Bottleneck Diamond". The cast included Doris Everett, Margorie O'Brien, Marilyn Greves, Marjorie Bonner, Barbara Parsons, and Pati Randolph.

Later the Dramatic Club presented "Wildcat Willie Gets Brain Fever," to the Student Body. It starred Jack Conner, Joanne Gerson, Lillian Lang, George Meyer, Glendora Thomee, Dorothy Nicolai, Jack Mosely, and Shirley Weidman.

Congratulations to the members of the Dramatics Club.

Eileen Caughey

TIGER MIRROR

Among the traditional props of Oroville High is the Bi-weekly newspaper. The Tiger Mirror, going ever forward to bring the Student Body adequate coverage of the news.

This years paper was sucessfully edited by Eileen Caughey. Under her unwavering hand the presses were kept rolling.

Assisting her were Ysleta Campbell as Feature Editor, Voy-le McFarland giving us the latest in the field of sports, and Marilyn Greves as exchange editor. Ably assisting were 10 Journalism students under the leadership of Albert Campbell, facultes advisor. It will be noted that students not taking Journalism were allowed to be on the Staff.

The cub Edition came out in April and was edited by the Betty Boyle. Featured were thumb nail sketches made by Bill Liptrap, journalism student.

Something new was added to O. U. H. S. in the building of the Students Publication Room. This was used by Mirror staff and the Nugget staff only. It has proven to be a por-fitable investment.

To be a member of the T. M. Staff is a privilege. Each member is a willing and untiring worker. This year's group was tops in in cooperation and enthusiasm and had a lot of fun in putting out the paper.

The Student Body congratulates Mr. Campbell and the Tiger Mirror Staff.

By Lillian Lang.

HONOR SOCIETY

The Honor Society, that organization which requires at least three A's and one B, with no C's, got off to a flying start, electing such capable officers as Eileen Caughey, president; Voyle MacFarland, vice president; and Patti Randolph, secretary.

During the first semester the student aid project was started under the direction of the vice president. By this plan anyone could come to a member of the society during study hall for assistance in any subject..

New officers elected for the second semester were Dorothy Dickenson, President; Delbert Dudley, Vice President and Ann Andrews, secretary.

An all-school oratorical contest was sponsored by this organization under the chairmanship of Irving Deal. The topic chosen was "The Fight for Freedom."

Attractive pins, torches with the initials "S.S.", were purchased by many of the members, and they became an added incentive for membership.

BAND

As many members of the advanced Band graduated last year, and as the present senior boys are devoting their extra time to pre-induction courses, the band started with twenty-four members this year. However, program adjustments permitted some old members to return and several freshmen advanced so rapidly in beginning band that they were promoted at the beginning of the second semester. Consequently during the spring semester there were thirty-eight members.

The purpose of the band is to develop balanced ensemble playing and to learn the better compositions written for band. The repertoire of this year included the following selections: Overture to Martha, Introduction to Third Act of Lohengrin, Turkish Patrol, Queen of the Night, Tremontier, Bridal Roses Overture, March Militaire.

The band is one of the most im-

portant moral builders in school and community. It has played for school rallies, sports events, and special occasions. During the year it gave concerts for the student body, Monday Club, and Annual Flower Show. It also played an important role in the Spring Festival.

The first band in the high school was organized in 1924 with eleven members. During the years it has grown in numbers and in individual abilities of its members. Today the school and community can rightly be proud of this musical organization.

The beginning Band was composed of twenty-six members. It was open to any student who was interested in playing an instrument and served as a preparatory organization for the Advanced Band.

Mrs. Maybeth B. Johnson was director of both of these organizations.

-Claude Wilson

A CAPPELLA CHOIR

The A Cappella Choir is a group of students who number among the more talented singers of the school. As the name implies, they sing unaccompanied.

The purpose of this organization are to do advanced voice work and to learn and sing some of the great music of the world. The following selections and many others were included in the repertoire of this year: The Spacious Firmament from the Creation, O Gentle Love from Faust, Choral from Die Meistersinger, O Praise the Lord from Athalia, The Lord's Prayer by Marlowe, Transformation by Cui.

In addition to providing music for assemblies and special school events, the choir was called upon frequently to furnish all or parts of programs

for community organizations. Outstanding of these was a concert of sacred and secular music for the Monday Club. It provided music for the services of the world's Day of Prayer. It sang Negro Spirituals and folk songs of the United Nations for the Spring Festival.

The choir sponsored a party on March 10 which was considered the outstanding social event of the music department. On this occasion members of the Glee Club and Band enjoyed with the Choir a potluck supper, games, and dancing.

The students of this high school can be justly proud of the accomplishments of its choir.

This organization is under the direction of Mrs. Maybeth B. Johnson.

-Claude Wilson

DANCE BAND

The Dance Band is, this year, enjoying its second appearance in the Annual. But by no means are dance new to O. U. H. S.

One of the first successful popular musicians from our high school late Jimmy Walsh. Within the last years such names as Kelly, Rhine, Mitchell and Cunha have adorned the bandstands of our fair school.

This year's band has been the largest in its history. It consisted of 12 pieces and 3 extras. The band - within - a - band was a five man affair that played for many small jobs. The boys played for noon dances as well as evening affairs. They also played for many local clubs, organizations, and other schools.

The leader, Claude "Mud" Wilson, is one of George Cunha's proteges from last year. Ted "Theo" Tanne-

hill, who is featured at the piano, is a veteran member of the band, having played with the organization several years.

Just in case you aren't acquainted with all the players they are as follows:

Trumpets: Gordon "Hobo" Hobbie (lead), Del "Dusty" Dudley, Steve "Squirt" Atkins.

Trombones: Kenny "Bostwick" O'Brien (vocal), Jim Hill, Don "5 by 5" Delongy.

Saxes: Dick "Tramp" Hobbie, Jack "Crook" Conner, Claude "Mud" Wilson, Jerry "Pug" McAtee, Ray "Dirt" Sands.

Piano: Ted "Theo" Tannehill

Drums: Irving "Sticks" Deal and Jack "Jackson" Cox.

Bass: Bob "Moll" Weaver

-Claude Wilson

GLEE CLUB

The Oroville High School Glee Club is composed of twenty-five members in addition to the forty-five members of the Choir. The purpose of this organization was to train for choir positions and to furnish any students who were interested in vocal music an opportunity to sing. Competition for positions in the choir was very keen among members of the Glee Club this year.

The members of this organization met two days each week, at which

time they received instruction in breath control, tone placement, and fundamentals of music as they apply to the voice.

The Glee Club has not been a well-known organization in this high school, but this year it has sung with the choir in assemblies and at the Spring Festival.

This organization was under the direction of Mrs. Maybeth B. Johnson.

March 24 the society held its annual Block 'O' dance. The direction of Bob Dudley. There was an estimated 1000 people attended.

Organized by Bud Brown the Sophomore and Freshman Brawl was held May 19, and the Block 'O' initiation was May 24. A few of the activities in the brawl were the tug-o-war over a pond of water, sack race, arrow race, relay, three legged race, and the shoe. The initiation was held much the same as in the past. Freshmen came to school wearing dresses and bringing offerings to Block "O" members. Noon initiations were held on the athletic field where the boys were fed raw eggs where they received egg shampoos. Evening tortures were held as usual in the Gym.

The Girl's Athletic Association is an organization to create and maintain interest in girls sports. Any girl who wishes to be a member of this organization must earn 125 points during a year in after school activities and must have a passing grade in academic subjects.

There were many activities this year. Interclass games in volleyball, basketball, and baseball were the dominating sports that kept the girls in good health and good sportsmanship.

During the volleyball season Joy Aleck was elected manager, Carmen Brizzolara the manager of basketball. Barbara Brewster was manager of baseball and Charlotte Campbell was elected manager of tennis.

The annual events on the social calendar sponsored by the Girl's Athletic Association were the Girl's Hi Jinks, the Tolo dance, and the initiation.

The G.A.A. was under the supervision of Miss Moss and with the leadership of the following officers.

GIRLS LEAGUE

The Girls League got underway the fall semester with Mildred Basye, president, Ruth Lewis, vice-president, Judy Hyatt, secretary, and Joy Aleck, service chairman.

A noon dance was given near Christmas to furnish toys for the community's children and small gifts for the soldiers. The girls also sponsored a candy sale to replace some war stamp money which was stolen.

Their annual tolo dance was held in February and was deemed a success. Its theme was Valentine's Day, and dance arrangements were made accordingly.

Eileen Caughey was elected president the Spring semester; Carmen Brizzolara, vice-president; Eilen Butler, secretary; Marjorie Onyett, service chairman.

Dr. Edith Bryan spoke to the girls their first meeting this semester on Problems Facing Youth Today. Following her address she answered many questions asked by the girls.

A Junior Red Cross work-day, held in the cafeteria, substituted for one meeting. Sixty girls under the supervision of eight upper-classmen worked on joke books, puzzle arrangements, bed socks, wall hangings and also bound stories. This project was continued another day, with a differ-

The Headquarters group were Master Sergeant Hansell, First Sergeants Powers and O'Bryan, and Sergeant Knarr.

The Companies consist of 67 men. Most of these were recruits this year. The job of getting these men into line was eased for the officers by the

Captain Del Bartley who left for college on March first was replaced by First Lieutenant Tannehill. The loss of this officer was felt throughout the whole corps.

The boys cadet uniform this year consisted of dark trousers, white shirts and black ties.

The corps was inspected once during the semester by men from State Headquarters.

Reports have come to us from boys in the service that cadet training has helped them.

GIRL CADETS

A cadet battalion of one hundred sixty-nine girls started drilling at the beginning of the spring semester.

Marching under the command of Major Ruth Lewis the girls were reviewed for their first time March 23. Uniformed in dark skirts and white blouses the cadets were inspected by Major Lewis and her staff. Every Thursday thereafter was regular inspection day.

Assisting Major Lewis on her staff were Captain Eileen Caughey, adjutant, and Staff Sergeant Lillian Lang.

Commissioned officers in charge of the three companies were Captains

Virginia Gregory, Viola Gould and Ysleta Campbell. Mildred Basye, Dorothy Nicolai and Marilyn Greves were advanced from their last year's rating to that of first lieutenant. Dorothy Dickenson, Bobbie Wilson and Joy Aleck were second lieutenants.

This girl cadet corps, organized for the first time last year, had a special drill period every Tuesday and Thursday afternoon, and were supervised by Mr. Nisbet. In addition to regular drilling the cadets were shown motion pictures sponsored by the U.S. Army.

The meetings of the Senior group have centered around the bi-weekly supper gatherings on Thursday evenings. The Clubs have joined in a number of service projects, the most outstanding being the sponsorship of the very popular Saturday night high school dances held at the Monday Club. The Y not only initiated the undertaking and secured the financial backing, but furnished the dance band, the programs, the refreshments, and the general supervision. The project has been exceptional in spirit and conduct and the student body with its excellent attendance and support has supplied the interest needed to make it a success. Claude Wilson was in charge of the dances.

The Junior Hi-Y has been an active Club all year and promises to live up to the high standards of the Y next year. Donald Baldwin and Harold Caughey were the representatives at the Area Congress last December.

The officers of the Senior Hi Y are Kenny O'Brien, president; Jack Alpers, vice president; Gordon Hobbie, treasurer; Irving Deal, secretary. Don Hagen led the Junior Hi Y along with Ralph Dunham, vice president; Melvin Ferguson, secretary.

PEP CLUB

Competition for yell leader was strong this year as the election was by individual instead of by team as was the practice for several years. The winners, Alta Shettlesworth, "RED" Jayne, and Barbara Brewster were instrumental in getting an exceptionally large sign up for the Pep Club. This group is the center of enthusiasm for rallies and rooting sections and puts on a campaign to

stir up school spirit.

With Alta Shettlesworth as Rally Chairman, and leader, the group did much to add spirit to football and basketball games and boost the teams to success.

The members of the different athletic teams appreciate the outstanding support of the Pep Club during the different seasons.

Culminating the season with a 53 to 12 victory over the Christian Brothers, the Oroville Tigers showed the boys from Sacramento what they had been showing their opponents all season. They rolled over every opponent this year to win the most impressive championship in the history of O.U.H.S., amassing an amazing total of 253 points to their opponents 31.

Ted Tannehill was individual high scorer for the year with 15 touchdowns, Bud Brown was second with 11, Jimmy Crabtree third with 7, Simmons and Hickok fourth with 2 apiece, and Richter and McAtee with 1 apiece.

The season opened with the Willows Honkers on the home field. The Honkers fresh from two victories over Red Bluff and Redding, were out for blood, but were quickly subdued 20 to 0 by the mighty Tigers. This was the same score, incidently, by which we beat them the preceding year. To start the scoring Crabtree juanted 40 yards to pay dirt. Richter then took a pass from Brown and lateraled to Simmons who scored; Brown made the last one. In this game the line excelled in all departments.

The next victims to fall before the Tigers were the Spartans of Red Bluff. Although winning 19 to 0 the Tigers played their worst game of the season. The only sensational highlight of the game was when Ted Tannehill skipped 105 yards for a touchdown. Brown and Crabtree also scored. Not only playing their worst game, the Tigers also lost Bob Dudley who was probably the best blocking back in the league; luckily his place was ably filled by Sophomore Jack McAtee. Bartley and Gurrola showed up well for the line.

Getting well into the season the Tigers travelled to Redding to meet the Wolves. They, however, turned out to be no match for the Tigers

who won 25 to 0 without the aid of Ted Tannehill. Bud Brown scored twice and Crabtree and Simmons once. Excellent line play was featured by Broadnax, Hickok and Ken O'Brien.

The Tigers, taking a rest from league games, played host to the Yuba City Honkers, who were sadly defeated 58 to 13. The Oroville boys ran wild with Ted Tannihill scoring three touchdowns and Crabtree and Brown close behind with two apiece. Other Touchdowns were made by McAtee and lineman Hickok, the latter intercepting a pass and going all the way. The complete line from end to end literally mopped up on the Yuba City boys.

Heading into the last half of the schedule the Tigers travelled to Chico to meet their rivals on the Chico gridiron. The Chico boys were game but didn't have the stuff to stop the mighty Tigers who rolled over them 32 to 0. Bud Brown and Jimmy Crabtree both scored twice and Tannehill once. This is the second straight year the Panthers have gone down before the Tigers scoreless.

In the next to the last game the Tigers sadly defea'ed the Grass Valley Miners 46 to 6. Ted Tannehill scored the amazing total of six touchdowns and Hickok for the second time this year intercepted a pass and scored.

To end the season the Tigers played the big but ineffective Christian Brothers from Sacramento. Ted Tannehill galloped 105 yards, 80 yards, 50 yards, and 30 yards for four touchdowns. Brown went 40 and 20 yards for two and Crabtree made one. Brown's long pass to Richter, who made a beautiful catch, was responsible for the last one.

Del Bartley was elected honorary captain for the year and Ted Tannehill was selected as Most Valuable Player.

Coming under the reins of Coach Larry White, who in previous years had assisted Art Bloom, they were molded into a smooth coordinate team. Incidentally Mr. White worked without an assistant so really deserves plenty of credit.

The Kittens opened the season by traveling to Marysville to meet the Indians on their home field. The half ended 7 to 6 in our favor. McAtee took a pass from Warmack and

traveled the remaining 40 yards to pay dirt. The second half tightened up until the fourth quarter when McAtee again received a pass and made the score 14 to 6 to clinch the game.

The next week the Kittens played host to Orland for their first home game, but the visitors were sadly turned away 26 to 12. Ferguson started the scoring by intercepting a pass and going over. McAtee was lost after this game for he was moved up to the Varsity to replace Bob Dudley who was injured. McAtee was ably replaced by freshman Harold Goff.

Louis Clark was elected team captain for the year and Larry Warmack was chosen by Mr. White as the most valuable player.

Due to lack of experience and having few adequate substitutes, the Oroville High Varsity had a difficult time throughout the season, although winning 11 out of 18 games. Under the tutelage of Hugh L. (Scoop) Harrison the Tigers in their first game of the season bowed to Grass Valley 27 to 26 in a heartbreaking game.

The Tigers playing better than average ball then took Yuba City in a two-game series 36 to 34 and 47 to 39. In the second encounter with Grass Valley the Tigers ran away with the game 33 to 17. In the first of a three-game series they dropped a heartbreaker to Gridley in two overtimes. The following two games were easily won by the Tigers. Then came a couple of breathers from Biggs and Portola, the scores being 49 to 15 and 51 to 7 respectively. Hickok Dudley, and Weiner scored freely in these games. Hitting their peak, the Tigers downed their rivals from Chico 41 to 15 and 46 to 40. Hickok and Dudley were high men for these games and Bob Powers starred on

defense. The Biggs varsity proved no match for the Tigers reserves who downed them 29-13. Don Richter was high point man for the reserves. Jack Holmes, 6 foot, five inch forward, also showed plenty of promise. Jack McAtee, Gordon Hobbie, and Jimmy Crabtree all played well. The Tigers then dropped two hard fought games to Marysville and Red Bluff.

The season ended with the tournament in Chico in which Oroville came in second. Bob Dudley, team captain, was selected as the best defensive player in the tournament and was also selected on the All Star team.

Oroville got some consolation out of the tournament due to their 28-14 win over Red Bluff.

Puzzy Hickok was individual high point man for the year with 238 points Bob Dudley was second with 153 points, and Paul Weiner third with 135. Other regular players were Bob Powers, Ted Tannehill and Curly Fuller.

'B' BASKETBALL

Coaching basketball for the first time, Larry White took over an inexperienced B basketball team and did much better than expected by winning 12 out of 17 games.

Although most of the players had only C and D qualifications they had lots of fight to help along such veterans as Lalla, Warmack, Dudley, and Babe Aciega.

Larry Warmack was individual high-point man for the year with 153 points, Johnny Lalla was second with 103, and Del Dudley was third with 90.

The Tiger Kittens were crushed in their opening game with Grass Valley 43 to 16, but revenge was sweet in the second meeting when the Kittens triumphed 21 to 20. In their next engagement the Kittens downed Yuba City twice 34 to 17 and 32 to 27.

They then snatched three games from Gridley Bulldogs 33 to 14, 23 to 19 and 38 to 28. The rest of the schedule went as follows: The Kittens won two from Biggs, one from Portola,

split one apiece with Marysville, lost two to Chico, and split with Red Bluff.

Del Dudley, following the footsteps of brother Bob of the varsity, was elected teamcaptain. Other first string players were Ed Gurrola, and Al Davis.

On account of the large turnout, alumnus Dean Price assisted Coach White in organizing the reserves into a C team. The little, but game, C players although winning only one out of six games, will make good material for next year's B team. They will profit much by their experience.

The little boys dropped two to Chico 27 to 14 and 46 to 11. In the following game they dropped a heart-breaker to Biggs 14 to 13. The Kittens then bear the Durham B team 23 to 16. The next two games were dropped 27 to 18 and 21 to 20 to Red Bluff. The players were Dean Rippey, Jim Dietle, John Meyers, Jim Porter, and Dick Hobbie.

TRACK

An interclass track meet was held at the first of the season to discover hidden ability from which to build up the A, B, and C track teams.

The Tigers placed third in a combined meet with Marysville, Yuba City, Roseville, Auburn, and Grass Valley. Ted Tannehill, star cinder man, took his usual three first places in the 100 and 220 yard dashes and the shot put.

Holding a three way meet on the local track the Tigers took the combined meet, but came in second in the varsity. Chico was first.

Entering the Northern League meet at Chico, the Tigers again captured the combined meet, but came in second to Chico in the varsity.

Boys who took a place in this meet

were eligible to enter the N.C.H.S.A. L. meet at Chico on May 13. Chico, Orland, Willows, Weed, Lassen and Oroville participated. Weed won the combined meet, Willows second and Oroville third. Oroville was nosed out of second place in the varsity by $\frac{1}{2}$ point by their old rivals from Chico.

Some of the outstanding men on the varsity were: Ted Tannehill, who took 12 consecutive first places in 4 track meets, to goal 60 points. Ed Williams in the high jump, Al Lineker in the 160 yd. low hurdles, and Jim Crabtree in the sprints. On the B team Larry Warmack, Johnny Lambros, Harold Goff, Ken Borger, and Grant Beard all showed great promise.

BOXING

Another year of really enthusiastic boxing was carried on at O. U. H. S. On March 31, the 4th Annual Boxing Tournament was held. These Championship bouts climaxed the annual elimination tournament in which 235 boys took part this year. There were 117 bouts in 14 divisions in the first round.

In all 227 successful bouts were held. The champions of the division will be awarded the coveted Block "O", and the novice champions will be given a suitable award.

It was practically impossible to fight all the final bouts in the tournament but the best bouts and a few special event were held for the pleasure of the public.

The bouts in the tournament were as follows: feather weight Jack Conner defeated Richard Wakefield for the feather weight novice division championship. In the senior division of this class Gordan Taylor and Cecil Spencer fought to a four-round draw. Middle weight Paul Weiner defeated Darrell Kister in a special event. Martin Aicega and Bob Cochran had a four round draw in the

senior division light weight. Novice division welter weight Elmer Morris defeated Don Lambert in the semi-final bout. Del Dudley was crowned king of the senior division welter weight by conquering Bud Richter. Jerry McAtee took the novice division middle weight title by defeating Norman Newman. In what was probably the best bout of the evening M. x Simmons edged out Bob Dudley for the senior division middle weight crown. Ken Graham outpointed Don Richter in the light heavy weight senior division and Puzzy Hickok defeated Dean Price in a special event heavy weight. Price substituted for Bob Weaver who was sick.

Other novice division champions were: fly weight, Charles Ackley; bantam weight, Charles Fleming; light weight, Ralph Campbell and Jack Coleman fought to a draw. Welter weight Bob Ax beat Elmer Morris. Light heavy Don Delongy decisioned Darwin Crawford.

Prospects are bright for an even bigger and better boxing season next year.

GIRLS TENNIS

Charlotte Campbell

This year as in other years the Girls Athletic Association has sponsored the annual tennis tournaments. These have been carried on under the basic rules of previous years with changes made to emphasize doubles instead of singles.

To participate in tournaments girls had to attend three of the four G. A. A. tennis practices held on Tuesdays and Thursdays after school.

A drawing was held to determine starting places on the ladder. Then partners could challenge a couple either 1 or 2 places higher.

At the end of the tournament the 3 highest couples on the ladder played short elimination tournaments to determine individual first place. Winners were given blocks.

Charlotte Campbell was elected manager to take charge of arranging practices, tournaments, and awards.
